

Triple A's

OPEN DAY

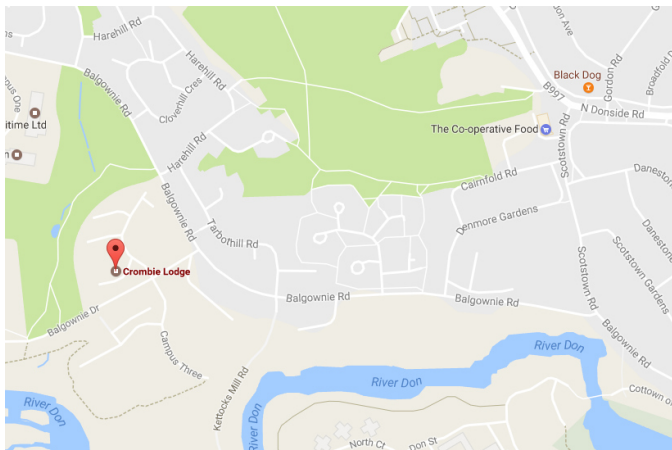

Saturday 30th June 2018, 12 - 7pm

The Triple A's is a high functioning autism group for ages 13+ run by autists, for autists. We offer a wide range of social groups that help autists deal with challenges they might be undergoing, as well as a place to go when they feel overwhelmed. We do not feel that just because we are autistic, we are victims, and so we encourage choice and freedom. We don't blame our autism, we take responsibility for it. We believe every autist is capable of taking care of themselves, even though it can be extremely difficult – and we will help towards this. Come along and meet us on Saturday 30th June to find out more.

Our groups include

- Teenage group (13-18)
- Social group
- Adult Social group
- Videogame group
- Role Play Gaming
- Anime group

We are also available for drop in sessions.

Our address

Crombie Lodge
Aberdeen Innovation Park
Campus 2
Bridge of Don
Aberdeen
AB22 8GU
